Across the way

Welcome, wanderer,
shadow-companion
fellow-refugee

I have seen you
across the way
and salute you

waiting in sorrow
to place myself
in someone else's hands

to place myself
in hands trained
to relieve me

hands to retrieve me
myself at sea.
I am sending

an S0S signal
from the eye
of my tempest

pausing here
across the way

Welcome, wanderer,
shadow-companion
fellow-refugee.

From across the way
I salute you.
