

The background is a watercolor illustration. The top half is a dark, textured teal color representing a sky. In the upper right corner, there is a circular, textured white shape representing the sun or moon. Below the sky is a horizontal band of lighter, textured teal and white, representing a horizon or a body of water. The bottom half of the image is a mix of light teal, white, and some reddish-pinkish tones, suggesting a snowy or misty ground.

Snow and Sun

White bird, featherless,
Flew from Paradise,
Pitched on the castle wall;
Along came Lord Landless,
Took it up handles,
And rode away horseless to the King's white hall.
